Teaching Spanish to all grade levels if not done already. Thanks you RCES staff-ya'll are awesome!

More summer classes at school. Sports clubs for younger kids.

Different language programs as part of the daily activities.

Not familiar with many of the programs as it is our first year. Pleased so far with the staff and their efforts.

Have not heard about this. (Referencing question #9.) ABA outside therapy allowed in the schools and clubs/programs for like-minded /level special needs kids to connect with each other.

Black awareness classes, Afro. American history lessons and the contributions made by Blacks in local and national arenas!

Red Cedar does an amazing job!

There has been no written communication about Katy's progress.

I like the school's discipline and how organized it is. And how the teachers show &

teach our kids.

Language programs

More clubs for kids First grade and Second grad. (Music, dance, etc.)

Appropriate accommodations for medically needy children. Increased extracurricular options in general.

Pre-K before and after programs to help w/working/going to school parents

Going to move forward to meet our children's expectations. ****

Todo excelente. Great job

Me encanta el trato del personal de la escuela hacia nosotros la padres; yo por mi parte me siento muy bien al visitar la escuela. Gracias por todo. ****

Yo estoy muy contenta Red Cedar con los planes y proteus que tiene con los alumnos .

Si me xano maricrell y me gustaría que cada vez que un alumna se quede corta molesta pondría mas importancia .

**** Not entirely clear what they were saying.
